JOB SUMMARY:

Real solutions to meet genuine challenges. Innovative ideas to take on growing realities. That's the Federal Highway Administration - Leaders in Paving the Way on the Road to Success.

The position is located in the Office of Safety Integration, Office of Safety, Federal Highway Administration, Washington, DC, and serves as a Team Leader of the Strategy, Partnerships and Policy Team responsible for directing and leading staff to advance programs, policies, and legislation in support of accomplishing the national safety goal to reduce fatalities and injuries on the nation's highways. Overall, the Specialist is knowledgeable about State and Federal highway safety programs and key safety stakeholder groups related to the 4 "Es" of safety, i.e., Engineering, Education, Enforcement, and Emergency Management Services. S/he provides national leadership; initiates, develops, and conducts national highway safety programs; develops and interprets standards, regulations, policies, procedures, and guidelines to help ensure Safety is integrated into all aspects of the highway planning and project development process. Works at building partnerships and coalitions with key safety organizations and stakeholders to advance a national safety strategy. Additionally, s/he works closely with the National Highway Traffic Safety Administration, the Federal Motor Carrier Safety Administration, and the Office of the Secretary to promote cooperation, collaboration, and communication to help obtain better integration of all federal safety programs and advance the Department's safety goal. The Specialist is responsible for providing technical and policy support, interpreting and developing policies, cooperative agreements, and performance management approaches to advance FHWA's safety program.

OPEN PERIOD: Thursday, December 10, 2009 to Thursday, December 31, 2009

POSITION INFORMATION: Full Time Permanent

DUTY LOCATIONS: 1 vacancy(s) in one of the following locations: Washington, DC

TARGETED WORK ENVIRONMENT(S):

Mission Focused: Attracting applicants who want a work environment that welcomes all motivations, from general service commitment to a specific passion.
